IKENOBO: San Francisco Headquarters has planned a special instructor's class with the visiting professor in San Francisco, on February 9 and 10. If you are interested in registering for these classes, please ask us for information.

In early June, there are special tour arrangements for the I.I. convention in Tokyo with four days in Kyoto for classes. Perhaps you are interested. Just ask.

SOGETSU: Students continuously ask for free style! We continue, and this time with branches. Yu Mei Montalvo will continue a Series of Sogetsu classes each Friday in February. Please register with her by calling (713) 515-9824.

ICHIYO: We are pleased to announce that we now have a study group, established on September 20, 2011, by the Headmaster in Tokyo, designated ICHIYO SCHOOL OF IKEBANA TEXAS BRANCH. Five instructors are available for classes, so we might as well get started! One class is scheduled for February 16. If you are interested in attending, please call the Tachibana Voice Mail (713) 526-7177 to register.

Shirley Bludau will continue a series of Ichiyo classes, so please register for those by calling Shirley at (832) 407-6027. Please call Tachibana Voice Mail by 5:00 P.M. two days before any Tachibana class that you wish to attend. We want to have floral material available for everyone!
